Welcome to Stan & Karen Kay's

You know, as our lives speed-up and quicken, people just don't seem to care like they used to. The food at eating places gets faster and faster and tastes like it came out of a can. The owners and managers treat their customers like . . . well only customers.

Welcome to Stan & Karen Kay's **Old South Restaurant** where their customers are their friends and they put the "service" back into "customer service!"

The food they serve is always fresh . . . there is no compromise with them. They believe that their reputation as having the finest home-style cooking place anywhere is much more important than saving a few pennies. And they should know what good food tastes like. They have been serving friendly folks like you for over 20 years!

You know how hectic it gets when you are trying to serve the freshest and highest quality food to such friendly folks . . . so if they don't get around to say "Hi", you make sure you wave at them before you leave.

And, remember . . . friends are always welcome at
